

**USUALS SIZES:**

4x6, 4x8, 4x12, 6x6, 6x8, 6x10, 6x12, 8x8, 8x10, 8x12, 10x10, 10x12

**Popular Options**

Many options are offered to enhance the look or the efficiency of whichever serie shed. Among the favorite ones you find:

- |                     |                        |                   |
|---------------------|------------------------|-------------------|
| <b>Access ramp</b>  | <b>French door</b>     | <b>Door stop</b>  |
| <b>Eaves trough</b> | <b>Half-glass door</b> | <b>Flower box</b> |
| <b>Wall shelves</b> | <b>Dual door</b>       | <b>Awnings</b>    |
| <b>Roof shelves</b> | <b>Door sill</b>       |                   |

Because all our pannels are pre-built in the shop, your are sure to obtain a shed that has been built in the best possible conditions by experienced workers. This also permits a quick installation causing minimal trouble. The delivery and installation are included when the delivery site is inside of 50km from the shop. Many other options are available, just ask.
